

From the Editor

The second issue of the Journal of Foodservice Research & Education would not be possible without the work of the editorial board. The board members are:

Janice Boyce
Mary Gregoire
Mary Molt
Jeannie Sneed

Robin Fellers
Pat Luoto
Barbara Scheule

The current issue reflects the diversity of foodservice topics. The Journal welcomes high quality manuscripts from foodservice professionals, researchers, and educators. Please check the Author Guidelines for submission information.
